EQUIPMENT

OUR MISSION

OUR MISSION IN 2020 IS TO INCREASE THE FUNDS RAISED FROM LAST YEAR'S FABULOUS TOTAL OF \$82,000.

MUFTI DAYS

On Fridays we are holding mufti days to help collect products to sell at the Carnival.

- Friday 14 February we will be collecting wrapped lollies for our lolly leis, jolly jars etc.
- Friday 21 February we will be collecting chocolate bars for the chocolate trailer
- Friday 28 February we will be collecting books

RAFFLE TICKETS

Students will bring home raffle tickets this week. Sell your tickets to family, friends, work colleagues! Drop off the ticket stubs, money and unsold tickets at the raffle stations near the front gate, or pay via kindo. There will be prizes for the top 3 raffle ticket sellers.

WORKING BEE DATE

Please put our massive pre-loved homeware collection working bee in your diary:

Saturday 21 March & Sunday 22 March

Location - school hall.

PRE-LOVED COLLECTION - ON NOW!

Our team is gearing up to put on the biggest pre-loved sale the community has seen... But as usual in Carnival month - we need your help. We are looking for 1-2 people to help out with overseeing our homewares collection. Please contact carnival@rops.school.nz if you would like to help.

You can bring your pre-loved clothing into the Matai room now. Pre-loved clothing, homewares, books and toys make a big difference to the money we raise. Ask your family, friends, workmates if they need to clear out their stuff this week - you'll be surprised who has a pile of toys/goodies stashed away that they are keen to move on to a new home. We would also really love any spare adult coathangers if you have any at home.

Drop in and visit Liddy, Denise and their helpers in the Matai room between now and mid March. You could even BECOME a helper if you like - we welcome casual helpers to sort clothes and other pre-loved items for us!

The money raised from the Carnival will make a difference in your child's daily life at school in the following ways:

- More learning support in classrooms
- Our fantastic music programme
- A full time ESOL programme
- Creative play areas
- Te Reo lessons
- Our environmental science focus
- STEM focus
- Developing our learning through play programmes

“

The Carnival gives us the opportunity to work together as a community to make a difference for our kids.

”

- MEGAN CLOTWORTHY

The Carnival is one of the biggest events in our school community. It's organised and run by parents, not teachers – and the money raised will help make our school better for our kids.

The success of our carnival is because of parents/caregivers like you. We will be putting a call out soon for volunteers to help out either before Carnival or on March 28.
